## Governor's Executive Order Suspends Spring Sports Seasons

STEVENS POINT, Wis. – Gov. Tony Evers' executive order issued Friday, March 13, 2020, closes all public and private schools, and suspends all school spring sports activities extending from Wednesday, March 13, 2020, until Monday, April 6, 2020.

The executive order is in response to the information available regarding COVID-19 and to prevent, suppress and control the disease.

The WIAA has updated its athletic participation limitations to adhere to the executive order as stated on the WIAA's [Infectious Disease](#) option on the Health webpage.

Consistent with Gov. Evers' announcement Friday, all school training, practices, scrimmages and contests are suspended. In addition, schools and coaches may not bring students together or be involved with students during this time period for any extracurricular or athletic purposes, which includes practices and other instructional/organizational purposes.

Coaches may provide individual workouts virtually, but shall not encourage or organize their team assembling to practice.
