HHT times are rounded UP to higher tenth

HHT times in races less than 300m have .24 added

HHT times in the 300,400m races have .14 added

HHT times in the 800m and up are not adjusted. FAT times that are the same are listed first.

Automatic times in the same tenth take precedence over hand times.

FAT times are rounded UP to the higher 100ths if the time is given in 1000ths

FAT /Automatic times are indicated by the 'â' symbol

We list the top twenty performances by date. Thus if two performances are the same, the most recent performance is listed first.

In all events performances drop off the list as newer performances with the same time/distance are made.

We make every effort to be accurate. However, if you find a name not spelled correctly or a performance that is wrong please contact us so that we can change the error.
